PRESIDENT'S MESSAGE

PRESIDENT'S MESSAGE

It has been nothing but cold and wet and it looks to stay that way for several more weeks. Even if there was any decent fishing to be had, locally, it would be too uncomfortable to enjoy it. Perhaps that is why so many of you are coming out for our social events. The holiday breakfast was great. With more than twenty participants, the crazy gift exchange we have been doing is more fun than ever. I had so many gifts "stolen", I could not remember what I wound up with, by the time I got to the car. I cannot wait for next year's, err...this year's breakfast.

That said, it is time to turn our attention to the Annual Awards and Installation Banquet. Based on the number of tickets sold, so far, it looks like we are going to have a good turnout. Is it the ugly pants theme? Everyone is just dying to look like an idiot when they walk into the restaurant on the 22nd? The pants I am wearing are going to be torched after the party. I am thinking of wearing a mask so no when can prove I actually dressed like that.

Seriously, though, if you have not bought your tickets yet, you should do so right now. Yes, you can pay at the door, but, it will cost you an extra \$2.50 a ticket. While we are on the subject of money, how about your 2011 membership dues? If your dues are paid on or at the banquet, you will be in a drawing for a free one day club charter, whether you are present or not. That is worth about \$125, so, send your dues in or bring it with you to the banquet. I will see you all there.

Keep on fishing,

Allan
